PROFESSIONAL SUMMARY

Results-driven healthcare professional with **5+ years of experience in the healthcare domain**, specializing in **Medical Coding, Healthcare Data Analysis, Clinical Documentation, Healthcare Claims Review, Quality Assurance, and Healthcare Operations**. Proficient in **SQL (MySQL), Python, Power BI, and Advanced Excel** for data analysis, dashboard development, MIS reporting, data validation, and business intelligence. Experienced in analyzing healthcare datasets, developing KPI dashboards, automating reports, identifying trends, and delivering actionable insights to improve operational efficiency. Strong expertise in **Medicare HCC Coding, ICD-10-CM, CPT, HCPCS, EMR/EHR systems, clinical documentation, and healthcare data management**. Adept at collaborating with clients and cross-functional teams to deliver data-driven solutions and process improvements. Seeking opportunities as a **Healthcare Data Analyst, Data Analyst, Business Analyst, or Healthcare Analytics Professional** where I can combine my healthcare expertise with analytical and technical skills to drive business performance.

KEY SKILLS

Data Analytics: Data Analysis, Data Cleaning, Data Validation, Data Visualization, Dashboard Development, KPI & MIS Reporting, Business Analysis, Process Improvement.

Technical Skills: SQL (MySQL), Python (Pandas, NumPy), Power BI (DAX, Power Query), Advanced Excel (Pivot Tables, XLOOKUP, VLOOKUP, INDEX-MATCH)

Healthcare Domain: Healthcare Analytics, Medical Coding (ICD-10-CM, CPT, HCPCS), Medicare HCC Coding, Clinical Documentation, EMR/EHR, Healthcare Claims Review, Medication Management, Pharmacy Operations, Patient Counselling.

Professional Skills: Stakeholder Management, Business Requirements Gathering, Quality Assurance (QA), Problem Solving, Communication, Team Collaboration

PROFESSIONAL EXPERIENCE

Senior Medical Coder (Healthcare Data Analytics & Reporting) | Collance Technologies Pvt. Ltd | April 2025 - Present

- Promoted from Medical Coder to Senior Medical Coder based on strong performance, coding quality, and analytical expertise.

- Prepared MIS reports, KPI dashboards, productivity, quality, and executive reports using Advanced Excel and Power BI.
- Analyzed healthcare datasets using SQL (MySQL), Python, Power BI, and Advanced Excel to support business decisions.
- Extracted, cleaned, transformed, and validated data to ensure reporting accuracy and data integrity.
- Developed Power BI dashboards and Excel reports to monitor KPIs, productivity, quality, and turnaround time (TAT).
- Performed data analysis, trend analysis, and data quality checks to identify insights, improve processes, and support operational efficiency.
- Used Python (Pandas, NumPy) for data cleaning, preprocessing, automation, and exploratory data analysis.
- Collaborated with clients to gather business requirements, develop reporting solutions, and maintain SOPs and process documentation.
- Supported new client onboarding, reporting automation, and workflow improvements to enhance operational performance.
- Performed HCC coding, medical record review, chart abstraction, and clinical documentation analysis following ICD-10-CM, CPT, and HCPCS guidelines.
- Conducted quality assurance audits, reviewed healthcare claims, resolved coding discrepancies, and ensured regulatory compliance.
- Improved coding accuracy, clinical documentation quality, and reimbursement outcomes through detailed medical record review and data validation.

Medical Coder | Collance Technologies Pvt. Ltd | Feb 2023 – April 2025

- Performed **comprehensive chart reviews** to ensure accurate **Medicare HCC diagnostic coding**, supporting proper risk adjustment and reimbursement.
- Performed HCC coding, medical record review, chart abstraction, and clinical documentation analysis following ICD-10-CM, CPT, and HCPCS guidelines.
- Conducted **quality assurance (QA) reviews** on standard and comprehensive **HCC and inpatient coding projects**, identifying discrepancies and ensuring compliance with **ICD-10-CM, CPT, and HCPCS coding guidelines**.
- Reviewed **medical charts, past medical histories, and medication-related diagnoses**, maintaining accurate clinical documentation and adherence to regulatory standards.

Medical Coder | Cogito Technology LLP (Analytics) | Aug 2022 – Feb 2023

- Assigned **ICD-10-CM and RX codes** to patient medical records, ensuring accuracy and compliance with coding standards.
- Interpreted **medical terminology, diagnoses, procedures, and medications** to accurately translate clinical data into coding software.
- Performed **medical data annotation** across multiple healthcare projects, including **pilot projects** that were retained for ongoing use.
- Annotated and curated **clinical and medical datasets** to support **machine learning, AI training, and healthcare analytics** initiatives.
- Contributed to the development and validation of **high-quality annotated datasets**, ensuring accuracy, consistency, and compliance with project standards.
- During my tenure with the company, my work primarily revolved around the review, analysis, and management of **medical and healthcare claims**.

Quality Documentation Specialist (Medical Scribe) | Nuance India Private Limited | May 2022 to Aug 2022

- Reviewed recorded physician-patient encounters and prepared accurate clinical documentation in EHR systems.
- Created structured medical notes including HPI, ROS, physical examination, assessment, and treatment plans.
- Transcribed physician dictations into standardized patient records using medical terminology and documentation guidelines.
- Ensured completeness, accuracy, and compliance of clinical documentation with healthcare standards.
- Supported medical coding, billing, and healthcare operations through high-quality documentation.

Medical coder (Back-office executive-MT & Data Annotator) | Cogito Technology LLP (Analytics) | Nov 2021 – April 2022

- Reviewed medical records, diagnoses, procedures, and medications for correct coding.
 - Worked on medical data annotation for different healthcare projects.
 - Assigned ICD-10-CM to patient records with accuracy and compliance.
 - Prepared and checked clinical datasets to support AI, machine learning, and healthcare analysis.
 - Reviewed, analysed, and managed medical and healthcare claims as part of daily work.
-

EDUCATION

- **Bachelor of Pharmacy (B.Pharm)** | IIMT College of Pharmacy | 2016 – 2020
 - CGPA: 7.58 with Honors
 - **Intermediate** | Shri Krishna Inter College | 2014 – 2016
 - Result: 73%
 - **High School** | Shri Krishna Inter College | 2014
 - Result: 72%
-

INTERNSHIP EXPERIENCE

Pharmacist Intern | District Hospital, Sec 30, Noida | 15/06/2019 – 02/08/2019

- Completed **45 days hospital training**, rotating through **Pharmacy, Emergency Ward, Medicine Stock Room, ICU, Burn Unit, Injection, and Sample Collection**.
- Gained hands-on experience in **medication dispensing, inventory management, and patient care observation**.

Trainee | Ind-Swift Pharmaceutical Ltd. | 08/01/2019 – 06/02/2019

- Completed **30 days industrial training** in **Quality Assurance (QA) & Quality Control (QC), Production, and Raw Material Sampling Departments**.
- Acquired practical knowledge of **pharmaceutical production processes, QA/QC protocols, and raw material handling**.

Pharmacist Intern | Pt. Sundarlal Multi speciality Hospital | 12/06/2018 – 29/07/2018

- Completed **45 days hospital training** focusing on **prescription observation, patient medication management, and IPD patient care**.
 - Gained exposure to **clinical workflows, patient counselling, and medicine handling in a hospital setting**.
-

ACHIEVEMENTS

- Recognized with the Excellence Award at Collance Technologies in 2025 for exceptional performance and consistent contribution at work.
- Awarded **3rd position** in Poster Presentation Competition on *“New Vision in the Pharma Industry”* at IIMT College of Pharmacy.
- Served as **Student Head Coordinator** for National Conference on *“Industry-Oriented Pharmaceutical Education: Challenges & Outcomes”*.

- Participated in **National Conference – Pharma & Healthcare IPR Summit 2019** at Amity University, focusing on **Challenges and Opportunities in Intellectual Property Rights**.
- Attended **MSME Workshop: Startup & Innovation Opportunities in the Pharma Sector** at IIMT College of Pharmacy.

EXTRACURRICULAR ACTIVITIES

- **1st Position – Fashion Show:** Demonstrated creativity, presentation skills, and teamwork.
- **1st Position – Skit (Group Theatre):** Showcased leadership, collaboration, and effective communication skills.

Languages

- **English** – Full Professional Proficiency
- **Hindi** – Native / Full Professional Proficiency
